Erasmus+

M&M Profuture Training, S.L. is a modern trainer provider and intermediary organization founded in 2014 whose staff has wide experience in managing and implementing training procedures and activities in a great diversity of settings.

M&M staff has actively participated and coordinated projects under different local and European programmes and its strength is based on the know-how of its team and the partnership with multinational associates from all over Europe and beyond.

M&M has a close professional relationship with different organizations, such as incubators, schools, educational organizations, business centres, companies, social organizations and industrial networks.

MOBILITIES KA1

M&M Profuture Training offers individual mobilities under the Erasmus+ call or other European calls/programmes and at private level in the sectors of School, Vocational Education and Training (VET), Adult and Higher Education.

We deal both with **ERASMUS+** and other European programmes and at a private level:

- Internship and work placement programs for your students.
- Training programs for your teachers and staff
- Job shadowing programs for your students, and/or for your teachers and staff.

COURSES

We offer you a diversity of training opportunities based on our own ready-made programs or new courses tailored to your demand and catering to your specific interests, timing and calendar with the best in-company or external know-how.

SOME OF OUR ALREADY AVAILABLE OWN TRAINING PROGRAMMES COMPREHEND:

1. Applied green pedagogy.
2. Early school leaving prevention skills for teachers.
3. Emotionally intelligent group management.
4. Creativity techniques for classroom management.
5. Relaxation, meditation and emotional well-being for organizations.
6. Theatrical techniques for contents transmission, conflict solving and team management.
7. Media literacy and critical thinking.
8. Gender equality transformative workshop for organizations and schools.
9. Educational leadership for schools and leadership skills for organizations.
10. Development of entrepreneurial competencies for youths.
11. Diversity management for schools and organizations.

12. Prevention of sexual abuse in early childhood (ages: 0-8).
13. Pedagogical and emotional support to gifted children.
14. New and old child-centred pedagogies: Montessori, Waldorf, Decroly, Reggio Emilia and their current local applications.
15. Current urban landscapes and sustainable urbanism: how to change my own city?

We can facilitate any other kind of training, be it technical or humanistic by means of our network of external expert trainers.

M&M's CORE CONCEPTS

OUR COLLABORATORS WITHIN THE EU AND BEYOND

TESTIMONIES

M&M will guide you with professionalism and kindness, in the same time, helping to achieve your tasks in the area.

Constantin U. (RO) KA1 Staff Course Participant

The experience has been extraordinarily satisfactory, both for the results obtained and for the treatment received.

Enric M. (Director Icària Gràfiques - SP) Local Hosting Company

Its kind management and professional communication made of a very positive experience. We recommend M&M for all types of development projects.

Sandeep R. (Director in Rai Films - SP) Local Host Company

They are a very professional company, who always insist on perfection, and keeping to deadlines.

William A. & Carol W. (UK) Partner at Erasmus+ KA2 Strategic Partnership

It was a very satisfactory collaboration with the staff's efficiency, commitment, knowhow and their timely and efficient implementation of the project tasks proved that they took their work seriously.

Ayşe Ö. (TK) Partner at Erasmus+ KA2 Strategic Partnership

All participants found solutions and we received some very good ideas which we applied in our school and the results came unexpectedly soon.

Mariana P. (RO) KA1 Staff Course Participant

It was a great pleasure to work with them, to such an extent that we will renew the experience this year!

Eléonore L. (FR) KA1 VET Workplacements School

I applied many of the techniques learnt there and I can admit the results were quite satisfactory as the school leaving level decreased significantly.

Emilia L. (RO) KA1 Staff Course Participant

They are most positive, engaged, enthusiastic, committed and sincere persons ever; it was a true pleasure from the first minute on.

Armand F. (SL) Partner

M&M did a great job and I enjoyed and learn a lot!!

Elsa M. (FR). KA1 VET Workplacement Participant

We do not consider it our supplier, but a local friend: it's always there for us when we need a document, when we propose something different for that year...

Sergio F. (PT) KA1 VET Workplacements School

Working with M&M is like reading a nice book – you start and you do not want to go to the end because you would like to enjoy more and more the content and time spent.

Rumyana S. (BG) Partner at Erasmus+ KA2 Strategic Partnership
